

2018 PARK INFORMATION

We are so thankful that you have chosen Camp Mishewah for your summer camping experience. We hope this information will be of help to you and your family as you prepare for your time at Mishewah. Our goal is to make it an enjoyable experience for all campers. If everyone follows these guidelines, our camps will run efficiently and smoothly. If you have any further questions, please let us know. More details will be available at camp.

Check –In Time is 3:00 p.m. on Saturdays. ***We will be unable to accommodate campers arriving before that time.*** Our staff needs time between camps to clean and prepare for your arrival. We kindly ask that you **do not** bring your trailer into the camping area until you have checked in. If you arrive early, please park in the sports field near the entrance until your campsite is ready. For everyone's safety, please refrain from blocking roadways and walking areas.

Check-Out Time is 11:00 a.m. on Saturdays. Please vacate your site/room/cabin by that time so we can prepare for the next guests. Please visit the office to check-out and pay any outstanding fees.

Food Services: Our dining hall provides meals for ministry staff, and family campers wishing to purchase meal tickets. Meal ticket purchases begin on the Sunday of each week. Please purchase tickets at least one day ahead of the meal(s) you plan to eat in the dining hall so our kitchen staff can be prepared. - We do not have the facilities to provide refrigeration for your items.
- The menu will be posted on the website closer to the time of camp.

Bicycles: You are welcome to bring bicycles to camp. Parents need to instruct children on safe cycling practices. Helmets must be worn by children under the age of 18. Cycling is not permitted after dusk. Consideration needs to be given to pedestrians, and respect given to other campers and their sites. Bikes must be stored at the campsites in a neat and orderly fashion and not left elsewhere on the campgrounds.

Seasonal Residents: The ECM Board of Directors and Camp Mishewah reserve the right to state the size of trailers that park at the campgrounds for the season. If you are replacing an existing unit, approval must be granted first. Please email the new specifications to info@ecmcamps.ca with your request. The building of new decks, gazebos, tents and dining tents must also have approval. Obstruction of passageways for emergency and maintenance vehicles needs to be avoided. ***Seasonal Campers Program Fees*** for family camps will also apply, available in the Seasonal Campers Package.

Purchases, Payments & Invoicing: We accept cash for all services, but for those people that do not carry cash, we do have an account system option. All your purchases (tuck, ice cream, boat rentals, swimming lessons, etc.) are recorded and you will be invoiced at the end of each week. If you chose this option, you need to register for this at the office and be prepared to pay the total amount due at the end of each Family Camp week.
