5. HEAD LICE

Consultants from **Lice Services Canada** will perform head checks on all campers upon arrival. If lice are found there are two options. 1. The camper will forfeit the week of camp or 2. Lice Services will do the treatment at a cost of \$75 + HST per hour. Normally, one hour will treat the camper, sometimes two hours are necessary. Please indicate that you have read this and understand that it is your responsibility to check your camper at home prior to camp. Refunds are **not** given for a camper who arrives at camp and returns home for treatment. Please be diligent and check at home.

Please check: I authorize treatment by Lice Services Canada if lice or nits are found. I will be contacted for credit card information.

I prefer to pick my camper up and treat them at home.
